SPONSORSHIP INFORMATION

Benefits of Sponsorship:

The Front Porch Ruckus is run entirely by volunteers – organizers, the musicians and porches! Sponsorship helps offset costs related to advertising, printing, and miscellaneous expenses. Sponsors are identified on our web page, social media, posters/map and in shout-outs at the event. Feel good knowing that you are supporting an event that has been well attended and enjoyed by many local residents and visitors since 2018! More details to follow on our website and social media. The deadline for sponsorships is May 31, in order to be included on the event map/website/social media.
